Fukuoka, August 19, 2021

Dear Brothers and Sisters of the Diocese of Fukuoka

The Peace of the Lord.

As we all feared, the state of emergency has been declared again in Fukuoka province from August 20 to September 12. During this time, follow the rules given before regarding Sunday Mass. Holy Mass will not be held publicly in the provinces where the state of emergency has been declared. In the other provinces, it will continue to be celebrated normally, paying attention to the established norms. Mass will be broadcast online from the cathedral at 10 AM each Sunday during that period on time.

May the Lord bless you all.

Josep M. Abella

Bishop of the diocese of Fukuoka
